Welcome to your TSB Home Insurance policy booklet

Your Contract of Insurance

Here's **your** TSB Home Insurance policy booklet, it forms part of **your** contract of insurance with **us** along with:

- **your** policy schedule (including any **clauses** shown on it);
- the information on **your Information provided by you** document;
- the Important Information document;
- any additional policy booklet(s) for extra covers which apply to **you**;
- changes to **your** policy or important information that **we** give **you** at renewal.

Check your policy details and tell us if anything's wrong or changes in the future

We want to make sure that **you** understand **your** cover and any cover limits, and that everything's correct on **your** documents, so please read them carefully and let **us** know if **you** need any changes.

During the life of **your** policy **you** need to tell **us** about any changes to the information **you've** given **us**. More details about this can be found in the **Important information and changes we need to know about** section in **your Important Information** document.

You must give **us** complete and correct information to the questions **we** ask. If **you** don't do this **we** may need to change **your** cover, premium or **excess** or **you** may find that **your** claim isn't paid in full (or maybe not at all). **We** may also cancel **your** policy or declare **your** policy void (treating **your** policy as if it had never existed).

Please contact **Customer Services** if **you** need to make any changes.

To be covered you must keep to the terms and conditions

You must pay **your** premium and keep to the terms and conditions and **clauses** of the contract. So long as **you** do this **we'll** insure **you** for anything shown in **your** policy booklets, which **your** schedule shows is covered, during the **period of insurance**.

It is important that everyone insured under this policy is aware of its terms and conditions.

It is **your** responsibility to prove any loss therefore **we** recommend that **you** keep receipts, valuations, photographs, instruction booklets and guarantee cards to help with **your** claim.

Keeping your property in good condition

One important policy condition is that **you** keep all the property **you're** insuring in good condition. **Your** policy doesn't cover loss or damage caused by wear and tear or a lack of maintenance. In particular, **you** need to maintain **your home**, there are some basic things **you** can do, for example:

On the outside

- Check for missing or slipped tiles, or rotten window frames.
- Ensure that gutters and downpipes aren't damaged or blocked by leaves.
- Keep any trees and shrubs near **your home** well-trimmed.
- If **your home** uses oil, as well as carrying out visual checks yourself, **you** should arrange for the tank and associated pipework to be checked regularly by a competent person.

On the inside

- Check and replace sealant and grout around baths and showers regularly – these need to be maintained to prevent leakage and **we** won't cover escape of water damage caused by them failing.

What to do if you are unhappy

If **you** have a complaint about this insurance, **you** can contact **us**, by writing to: TSB Customer Service Centre, PO Box 7463, Perth PH2 0YX or telephone **us** on **0800 210 0030** and ask **your** contact to review **your** complaint.

What will happen if you complain:

- **You** complaint will be acknowledged promptly
- A dedicated complaint expert will be assigned to review **your** complaint
- A thorough and impartial investigation will be carried out
- **You** will be kept updated of the progress
- Everything will be done to resolve things as quickly as possible
- A written response will be sent to **you** within eight weeks of receiving **your** complaint, this will inform **you** of the results of the investigation or explain why this isn't possible.

Where **your** concerns are unable to be resolved or have not been resolved within eight weeks, **you** may be able to ask the Financial Ombudsman Service (FOS) to carry out an independent review. Whilst firms are bound by their decision **you** are not. Contacting them will not affect **your** legal rights. **You** can contact the FOS on **0800 023 4567** or visit their website at www.financial-ombudsman.org.uk where **you** will find further information.

Text Relay Service

If **you're** deaf or have a hearing impairment, or **you** have difficulty with **your** speech, **you** can access the Text Relay service (or Next Generation Text (NGT) service that's replaced it) by dialing '18001' before **our** number. **You'll** be connected to a relay assistant who will join the call between **you** and **us**. They'll read out the text **you've** typed using **your** text phone or other device. The relay assistants are bound by confidentiality and any details **you** share with them, such as identification details or financial information are secure and protected.

Words with special meanings

General conditions

These conditions apply to all covers in this booklet.

1. Claims

What you need to do

As soon as **you**'re aware of something that's likely to lead to a claim **you** must:

- tell the police straight away if **you**'ve lost something or **your** claim is due to a crime (for example theft or malicious damage). Please get a crime reference number;
- contact **us** as soon as **you** reasonably can and give **us** all the information and help **we** need to settle **your** claim;
- tell **us** if any of **your** property is later returned to **you**;
- tell **us** if **you** receive any information or communication about the event leading to **your** claim and leave **us** to deal with it (unless **we** tell **you** otherwise).

To help us settle **your** claim

It is **your** responsibility to prove any loss and **we** may ask **you** to provide receipts, valuations, photographs, instruction booklets and guarantee cards and any other relevant information, documents and assistance **we** may require to help with **your** claim.

What you mustn't do

- Admit to any claim, promise any payment or refuse any claim without **our** agreement.
- Get rid of damaged property or organise repairs without **our** agreement.
- Abandon any damaged property to **us**.

What rights we have

We will be entitled, at **our** cost, but in **your** name, to:

- take legal proceedings for **our** own benefit to recover **our** costs in relation to **your** claim; or
- take over and conduct the defence or settlement of any claim.

We will have full discretion in the conduct of any legal proceedings and in the defence or settlement of any claim.

2. Your duty to prevent loss or damage

Everyone covered by this policy must:

- take all reasonable precautions to prevent accidents, loss or damage; and
- maintain **your buildings** in a good state of repair
- keep **your contents** covered under this policy in good condition.

Examples of taking reasonable precautions to prevent accidents, loss or damage would be:

- to ensure that carpets, flooring, furniture & other belongings are effectively covered when any painting and/or decorating is taking place at the **home**;
- turning off the water supply to **your home** if a leak is discovered in order to prevent further damage

3. Fraud

If **you** claim is at all dishonest or exaggerated **we** will not pay **you** anything under this policy or return any money **you** have paid. **We** may also cancel **your** policy immediately and backdate the cancellation to the date of the fraudulent claim. **We** may also take legal action against **you**.

4. Other insurance

Sometimes **you** may have other insurance that would cover the same claim (or would cover it if this policy didn't exist). If so, here's what happens:

- if **you're** claiming for **Occupiers, Personal and Employers Liability** **we** won't pay anything until all cover under **your** other insurance is exhausted;
- **we** won't pay for loss or damage covered under a guarantee or warranty;
- if **you're** claiming for something else **we** won't pay more than **our** fair share, even if the other insurer refuses the claim.

This condition will not have the effect of leaving **you** without cover for any claim. It operates where there is any other insurance covering the same claim (or would have in the absence of this policy) and determines how those insurance policies apply.

5. Paying monthly

Your monthly premiums will be due on the agreed date and on the same date of each following month. **We'll** give **you** one month's cover for each monthly premium **you** pay starting from the cover start date.

If **you** don't pay the first premium **your** policy won't be valid. If **you've** paid at least one premium and then don't pay any premium after that when due **we** can cancel **your** policy as explained below.

6. Cancelling your policy

In this section where **we** refer to the right to cancel the policy '**you**' means the policyholder(s). This means the person or people named on **your** schedule and they're the only ones who can cancel the policy.

Your Statutory Rights

You have a statutory right to cancel **your** policy within 14 days from the day of purchase or renewal of the contract or the day on which **you** receive the policy or renewal documentation, whichever is the later.

- If **you** wish to cancel and **your** cover hasn't started **you** will be entitled to a full refund of the premium paid.
- If **you** cancel after **your** cover has started **we'll** refund the full premium paid less a proportionate deduction for the time **we've** provided cover.
- If **you** don't exercise **your** right to cancel, **your** policy will continue, and **you** will be required to pay the premium.

You can cancel your cover at any time

In addition to **your** statutory rights **you** can cancel the policy and/or additional covers provided by Aviva at any time online at <https://www.tsb.online.aviva.co.uk/sales/account/signin>.

Alternatively, **you** can cancel by calling **Customer Services** on **0345 030 7622** or writing to TSB Customer Service Centre, PO Box 7463, Perth PH2 0YX.

There are times when we can cancel your cover

We may cancel or declare **your** policy, and/or additional covers provided by Aviva, void (treating **your** policy as if it had never existed) if **we** have a valid reason, for example if:

- **you** don't pay **your** premium when it's due. If **you** don't pay the first premium **your** policy will not be valid. If **you** miss a payment after that **we**'ll email or write to **you** giving a further date to pay. If **we** don't receive payment by then **we** will cancel the policy and/or additional cover options from the date shown on the letter;
- **we** reasonably suspect fraud;
- **you** don't co-operate with **us** or give **us** information or documentation **we** ask for, and this affects **our** ability to process a claim or defend **our** interests;
- **you** have not given complete and accurate answers to the questions **we** ask.
- **you** harass **our** staff or representatives, or behave in an abusive or threatening manner.

Where **we** cancel, **we**'ll always give **you** at least 7 days' notice by post or email to the last address **you**'ve given **us** and tell **you** the reason why. The exception is where **we** have evidence that **you** have acted fraudulently or deliberately given **us** incorrect or incomplete information when **we** may cancel **your** policy without notice and backdate the cancellation to the date when this happened, which could be when **you** first bought **your** policy (e.g. **your** policy being declared void and treated as if it had never existed).

Will I get a premium refund?

- If **your** policy or an additional cover is cancelled before the cover starts **we**'ll refund the premium **you**'ve paid for the cancelled cover.
- If **your** policy or an additional cover is cancelled after cover has started **we**'ll refund **you** for any days left which **you**'ve already paid for.

You won't get a refund at all if **we** cancel **your** policy because **you** acted dishonestly or fraudulently and/or **we** are legally entitled to keep the premium under the Consumer Insurance (Disclosure and Representations) Act 2012.

7. Index linking

Your sum(s) insured may be updated monthly (and the new amounts shown on **your** annual renewal notice). Any change will reflect rising costs in line with the House Rebuilding Cost Index for **buildings** and the Retail Price Index for **contents** and specified belongings.

We won't reduce **your** sum(s) insured if the index falls.

8. Joint policyholders

Any person named on **your** schedule can change the policy or make a claim. **We** can only remove a named person if they agree, if **we**'re ordered to by a court, or if they've died and their personal representatives ask **us**.

We won't pay for any loss, damage or liability caused directly or indirectly, or in any way connected to unauthorised, and/or malicious access by any person to:

- the power network, leading to a power failure or power surge; and/or
- computer or electronic components and systems (including smart devices), resulting in any reprogramming of software, loss of data, introduction of malware, codes or viruses with the intention or effect to cause such systems or connected devices to stop, fail or function otherwise than is intended by the manufacturer.

Buildings

This section only applies when shown on **your** schedule.
Please see **your** schedule to check any limits applying to **your** cover.

What's covered?

Our standard **Buildings** cover will protect **you** for loss of or damage to the **buildings** caused by any of the following things:

1. **Fire** (including smoke damage resulting from **fire**), explosion, lightning or earthquake.
2. **Storm** or **flood**.
3. Malicious people, vandals, riot, civil unrest, strikes, and labour or political disturbances.
4. Being hit by:
 - aircraft or other flying objects, or anything falling from them;
 - vehicles or animals;
 - falling aerials or satellite dishes (including fittings and masts);
 - falling trees or branches.

If **we** accept a claim for damage to the **buildings** caused by a falling tree or branch **we**'ll also pay **reasonable costs** to remove the fallen tree or part of the tree (this doesn't include any part which remains below ground).

5. Water escaping from or freezing in water tanks, pipes, plumbed-in home appliances (such as washing machines and dishwashers), fixed equipment or fixed heating system.
6. Heating fuel leaking from a fixed heating system.
7. Theft or attempted theft.
8. **Subsidence, heave, or landslip**.

Our standard **Buildings** cover also includes:

Loss of rent and cost of alternative accommodation

If **your home** can't be lived in because it's been damaged by something which is listed in **Buildings paragraphs 1-8**, **we** will pay for the following until it's fit to be lived in:

- **reasonable costs** for additional alternative accommodation for **you** (including **your** pets) if **you** live in the home;
- any ground rent **you** still need to pay;
- if **you** have a lodger or tenant **we**'ll pay any rental income **you** lose from them.

We'll always try to keep **you** (and/or other occupants) in **your home** if **we** can. This may involve solutions to overcome temporary interruptions in essential facilities (like the loss of running water). If that isn't possible then **we**'ll pay reasonable costs for loss of rent or alternative accommodation, considering all the circumstances of **your** claim and **we**'ll aim to get **you** back **home** in the shortest time possible, this is likely to be whilst repairs are ongoing. **We**'ll consider how many people live in the **home**, how long **you**'ll need the accommodation, what's available locally and what it costs. **We** are happy to discuss and can offer help in finding accommodation.

Loss or theft of keys

If the keys to external doors of **your home** (or alarms or safes fitted inside it) are lost or stolen, **we'll** pay to replace the locks or lock mechanisms.

Tracing and accessing leaks

If **your home** has been damaged by a water or oil leak, **we'll** pay **reasonable costs** to remove any part of the internal structure of the **home** needed to find the source of the leak. **We'll** also make good after the leak's been fixed.

We'll ask **you** to pay to repair or replace the leaking pipe or part if it had simply failed or worn out. This is because **your** policy doesn't cover wear and tear. **We'll** only pay to repair the pipe or part if it's damaged by something which **your** policy covers (e.g. if **your** policy includes cover for **accidental damage**).

Your liability to the public

Our Buildings cover also extends to cover **your** liability to the public (as the homeowner). Details of this cover and exclusions are shown in the **Your legal liabilities** section of this booklet.

Emergency access

We'll pay for damage to **your buildings** or **your garden** caused by someone accessing **your home** to deal with a medical emergency, or to prevent damage to the **home**. There's no **excess** to pay.

Selling your home

Your Buildings cover will extend to protect the buyer of **your home** if it is damaged by an insured event between exchange of contracts and completion of the sale. This cover only applies if they don't have other insurance to cover the damage.

Buildings cover between exchange and completion

If **you** are buying a property with a mortgage from TSB Bank plc and **you** have committed to purchase a TSB home insurance policy, **your** new **home** will be insured against loss or damage arising from any cause listed in **Buildings paragraphs 1-8**.

Cover will be provided for the **home** shown on **your** schedule for a maximum period of 90 days. This period starts when **your** contracts are exchanged (or in Scotland missives are complete) and ends at the completion of **your** property purchase.

Buildings cover between exchange and completion is only valid if:

- **Buildings** cover is shown on **your** schedule; and
- **you** have an active TSB mortgage application to buy the property shown on **your** schedule.

- they are within the same room or open plan area as the damaged items or parts and
- the damaged item is part of a fixed sanitary suite, fitted furniture or floor or wall tiles.

Buildings – optional covers

These covers only apply if shown on **your** schedule.
Please see **your** schedule to check any limits applying to **your** cover.

Accidental damage to services, fixed glass and sanitary fittings

What's covered?

Accidental damage which is not covered under **Buildings paragraphs 1-8** to:

- cables, pipes, drain inspection covers and septic tanks **you're** responsible for which serve the **buildings**;
- fixed glass forming part of the **buildings** (including glass in solar panel units);
- sanitary fittings installed in the **home**.

We will cover up to the limit shown on **your** schedule for breaking into (and then repairing and backfilling) an underground pipe where **you** have tried, unsuccessfully, to clear a blockage using established methods such as rodding.

What's not covered?

- Anything shown in in the **Buildings – What's not covered?** section or in the **General exclusions**.
- Damage to fixed glass and sanitary fittings forming part of the **buildings** which happens when **your home** has been left **unoccupied** for more than 60 days in a row.
- Costs associated with clearing blockages from underground pipes unless **you've** tried, unsuccessfully, to clear it using established methods such as rodding. Where **your** attempt to clear the blockage has been unsuccessful and **we** agree to break into the pipe to clear it **we** won't pay more than the limit shown on **your** schedule to break into and repair the pipe and backfill afterwards.

Extra accidental damage to buildings

What's covered?

All other **accidental damage** to the **buildings** that is not already covered by the **Buildings** section or **accidental damage** to services, fixed glass and sanitary fittings.

What's not covered?

- Anything shown in in the **Buildings – What's not covered?** section or in the **General exclusions**.
- Damage to fixed glass and sanitary fittings forming part of the **buildings** which happens when **your home** has been left **unoccupied** for more than 60 days in a row.
- Damage caused by:
 - **building** alterations, renovations or repairs;
 - vermin, insects, fungus, weather conditions;
 - paying guests, tenants, lodgers or individuals participating in a home swapping agreement;
 - water entering from the outside of **your home** which was not a result of a **storm** or **flood**.
 - water escaping from or freezing in water tanks, pipes, plumbed-in home appliances (such as washing machines and dishwashers), fixed equipment or fixed heating system.

Buildings conditions

These conditions also apply to **Buildings – Optional covers**.

1. Anything shown in the **General conditions**.

2. Your sum insured

Your buildings sum insured must be high enough to cover the full cost of rebuilding the **buildings** to the same specification, including demolition, removal of debris and architects' and surveyors' fees.

Your buildings sum insured is very important and **you** should contact **us** if **you** do not think the **sum insured** shown on **your** schedule is enough.

If at the time of a loss **your** sum insured is too low, **your** claim will be settled on the following basis:

- If **we** have provided a **buildings** sum insured of £1,000,000 and this is shown on **your** schedule, **we** will not pay more than this amount for any claim.
- If **you** have provided the **sum insured** shown on **your** schedule, **we** may reduce the claims settlement proportionately based on what **your** premium would have been if the **sum insured** was adequate. For example, if **you** only paid 70% of the premium **you** should have paid, the most **we** will pay for any claim would be 70% of the claim made by **you**.

3. Settling claims (except liability)

We can choose to settle **your** claim by repairing, rebuilding, giving **you** an equivalent replacement or making a payment.

If **we** are able to repair, rebuild or replace **your** property but agree to settle using cash or a voucher **we** will only pay **you** what it would have cost **us** to repair, rebuild or replace it. If **we** are unable to repair or rebuild **your** property or it is not economic to do so, **we** will pay the difference between the open market value of **your** property immediate before and after the damage.

What we will pay

We'll pay up to the sum(s) insured and limits shown on **your** schedule for any incident. The most **we'll** pay in total for any claim for loss or damage to **buildings** is the **buildings** sum insured (unless otherwise stated).

We won't reduce the sum(s) insured by the amount paid under any claim.

If **we** accept a claim for the **buildings** **we** will also pay for:

- Architects' and surveyors' fees to repair the **buildings**. These fees must not be more than the relevant professional institutes recommend. They must not include any amount to help **you** prepare **your** claim.
- Costs **we've** agreed to pay to demolish or support the damaged parts of the **buildings**.
- The cost of meeting building regulations or municipal or local authority byelaws directly incurred in repairing insured damage to the **buildings**. **We** only pay for this if **you** hadn't already been told it was required before the **buildings** were damaged.

If your property isn't in good condition

It's a policy condition that **you** keep **your** property in good condition so if **you** haven't done this and this was the reason (or main reason) for the damage then **we** may not pay **your** claim or may not pay it in full.

How we deal with claims for storm damage

We explain what **we** mean by **storm** in the **words with special meanings** section. **We** try to be fair, so **we** don't just look at wind speed **we**'ll take other factors into account like where **your home** is sited.

We'll check what the weather was like when the damage happened and may ask for pictures or ask an expert to look at the damage to decide if it was caused by a **storm** and confirm that a lack of maintenance didn't cause or contribute to the damage.

How we deal with claims for flood

If **we** accept a claim for flood damage to **your home** and the total cost of **your Buildings** claim will be more than £25,000, after deduction of any applicable excess, **we** will offer to pay up to an additional £10,000 for flood resistance and recoverability measures to be installed during the repair, where:

- a flood survey arranged or agreed by **us** identifies that these measures will help reduce the likelihood or severity of damage in the future; and
- **we** approve all costs before installation.

How we deal with pairs, sets and suites

If **you** have chosen TSB Enhanced Home Insurance, **Buildings matching items** cover is included as standard, please see the terms and condition of this cover as they replace the standard terms shown below.

When **we** settle **your** claim, **we**'ll pay to replace individual items or parts of a pair, set or suite or any other item of a uniform nature, design or colour which have been lost or damaged but not for undamaged companion pieces or parts.

4. Settling liability claims

For any incident (or series of related incidents) involving legal liability covered under the **Buildings** section **we** will try to negotiate with the person claiming against **you** (or their legal representative) to settle **your** claim for the lowest amount. In any event the most **we**'ll pay is the limit shown on **your** schedule plus any costs and expenses **we** have agreed to pay.

5. No-claim discount

If **you** make a claim under **Buildings** (including **Buildings - Optional covers**) **we**'ll reduce **your buildings** no-claim discount when **you** renew. If **you** don't claim **we** will increase **your buildings** no-claim discount at renewal until **you** reach **our** maximum of 5 years.

6. Claims settled by making a payment

Where **we** have settled **your** claim by making a payment and the damage to **your** buildings has not been repaired, **we** will not pay for:

- repairing any unrepaired parts of the **buildings** necessary to settle any new claim.
- subsequent loss or damage to **buildings** or contents which would not have occurred had the **buildings** been repaired.
- any claim under the **Legal liabilities** section which would not have occurred had the **buildings** been repaired.

It isn't "accidental" if the power goes off because the supplier deliberately turns it off or their employees take strike action.

- **reasonable costs** for removal and storage of any **contents** that are damaged by something listed in **Contents paragraphs 1-8** while they are being repaired or restored;
- any ground rent **you** still need to pay;
- if **you** have a lodger or tenant **we**'ll pay any rental income **you** lose from them.

We'll always try to keep **you** (and/or other occupants) in **your home** if **we** can. This may involve solutions to overcome temporary interruptions in essential facilities (like the loss of running water). If that isn't possible then **we**'ll pay reasonable costs for alternative accommodation, considering all the circumstances of **your** claim and **we**'ll aim to get **you** back **home** in the shortest time possible, this is likely to be whilst repairs are ongoing. **We**'ll consider how many people live in the **home**, how long **you**'ll need the accommodation, what's available locally and what it costs. **We** are happy to discuss and can offer help in finding accommodation.

Occupiers, employers, personal and tenants Liability

These covers are standard with **your Contents** cover. Details of the cover and the exclusions are shown in the **Your legal liabilities** section of this booklet.

- mirrors, glass tops or fixed glass in furniture and ceramic glass in cooker hobs;
- any of the following things if they are not designed to be portable: television sets (including digital and satellite receivers), DVD recorders and players, games consoles, home computers and audio equipment;

An item is "portable" if it can be used away from the **home** on battery or solar power.
Cover for these items is available under **Extra accidental damage**, or under **Personal belongings** (this gives **our** widest cover both in and away from **home**).

2. to receiving aerials, dishes and CCTV cameras fixed to the **home**.

What's not covered?

Anything shown in **Contents – what's not covered?** or shown in the **General exclusions**.

Extra accidental damage to contents

What is covered?

All other **accidental damage** to **contents** which happens in **your home** and **garden** which isn't covered by the **Contents** section or **accidental damage** to non-portable home entertainment equipment, mirrors and glass.

What's not covered?

- Food.
- Damage caused by:
 - moths, vermin, insects, fungus, damp, rust, wet or dry rot or weather conditions;
 - water entering from the outside of **your home** which was not as a result of a **storm** or **flood**.

 - the process of cleaning, washing, repairing or restoring any item.
 - paying guests, tenants, lodgers or individuals participating in a **home** swapping agreement;
- Any loss that is not the direct result of the insured incident itself.

Contents conditions

These conditions also apply to **Contents – Optional covers**.

1. Anything shown in the **General conditions**.

2. Your sum insured

Your contents sum insured (as explained below) must be high enough to replace **your contents** 'as new'. **You** should be aware that some items, such as jewellery, watches and antiques can go up in value so **you** should obtain updated valuations on a regular basis and update **your** policy when necessary to make sure **you** are fully covered.

Your overall contents sum insured must be enough to replace all of **your contents** and unspecified **valuables**.

Your unspecified **valuables** limit should be high enough to replace all **your valuables** that are individually worth less than the **valuables** single article limit.

Valuables that are worth more than the single article limit should be specified and insured for their full replacement value.

When working out **your contents sum insured** **you** do not need to include items **you've** insured under the **Personal belongings** as these items are covered at **home**.

If at the time of a loss **your sum insured** is too low, **your** claim will be dealt with as follows:

Contents

- If **we** have provided a **contents sum insured** of £100,000 and this is shown on **your** schedule, **we** will not pay more than this amount for any claim.
- If **you** have provided a **sum insured** and this is shown on **your** schedule, **we** may reduce the claims settlement proportionately based on what **your** premium would have been if the sum insured was adequate. For example, if **you** only paid 70% of the premium should **you** have paid, the most **we** will pay for any claim would be 70% of the claim made by **you**.

Unspecified Valuables

We will not pay more than the **valuables** limit shown on **your** policy schedule.

Specified Valuables

We will not pay more than the value **you** have specified.

3. Settling claims (except liability)

We can choose to settle **your** claim by repairing, giving **you** an equivalent replacement (for mobile phones this includes providing a refurbished model) or making a payment. Where **we** provide **you** with a refurbished mobile phone **our** aim will be to let **you** keep **your** existing number but if, for reasons beyond **our** control, **you** can't then **your** replacement phone will be connected to a new number.

If **we** are able to repair or replace **your** property but agree to settle using cash or a voucher **we** will only pay **you** what it would have cost **us** to repair or replace it.

What we will pay

We'll pay up to the sum(s) insured and cover limits for each incident (unless **we** tell **you** otherwise). **You** can find the sum(s) insured and limits on **your** schedule.

We won't reduce the sum(s) insured by the amount paid under any claim. However, if **you** claim for loss/theft of a specified item and **you** don't replace the item **you** should arrange for it to be removed from **your** policy, so **you** don't pay for cover **you** don't need.

How we deal with pairs, sets and suites

If **you** have chosen TSB Enhanced Home Insurance, **Contents matching items** cover is included as standard, please see the terms and condition of this cover as they replace the standard terms shown below.

When **we** settle **your** claim, **we'll** pay to replace individual items or parts of a pair, set or suite or any other item of a uniform nature, design or colour which have been lost or damaged but not for undamaged companion pieces or parts.

Proof of value and ownership

When **you** make a claim, it is **your** responsibility to prove any loss. To help with **your** claim **we** recommend **you** keep receipts, valuations, photographs, instruction booklets and guarantee cards.

4. Settling liability claims

For any incident (or series of related incidents) involving legal liability covered under the **Contents** section **we** will try to negotiate with the person claiming against **you** (or their legal representative) to settle **your** claim for the lowest amount. In any event the most **we'll** pay is the relevant limit shown on **your** schedule. For claims under **Occupiers, Personal** and **Employers** liability **we** will also cover any costs and expenses **we** have agreed to pay.

5. No-claim discount

If **you** make a claim under the **Contents** section (including any **Contents - optional covers**) or under the **Personal belongings** section **we** will reduce **your contents** no-claim discount at the renewal date of **your** policy. If **you** don't claim we will increase **your** contents no-claim discount at renewal until **you** reach our maximum of 5 years.

Personal belongings

This section only applies when shown on **your** schedule. Please see **your** schedule to check any limits applying to **your** cover.

- Theft, attempted theft, malicious damage or vandalism by **you**, paying guests, tenants, lodgers or individuals participating in a **home** swapping agreement.

 - the process of cleaning, washing, repairing or restoring any item.

- If **your** schedule shows **you** have cover for pedal cycles they won’t be covered for theft unless they are:
 - in **your** immediate custody and control; or
 - securely locked to an object that can’t be moved; or
 - locked inside a concealed boot or concealed luggage compartment of the vehicle, and the boot, all windows, doors, sunroofs and roof boxes of the vehicle are all closed and locked; or
 - in a locked building;
- Under **personal money**, we will not cover:
 - loss caused by mistakes;
 - losses not reported to the police;
 - credit or debit cards.
- Any loss or damage covered by another policy.

Personal belongings conditions

1. Anything shown in the **General conditions**.

2. Your sum insured

Your sum insured (as explained below) should be high enough to replace **your Personal belongings** “as new”. Be aware that some items, such as jewellery and watches can go up in value so **you** should ensure **you** obtain updated valuations on a regular basis and update **your** policy when necessary to make sure **you** are fully covered.

For specified **personal belongings** the limit must be high enough to replace the item “as new”.

For pedal cycles the limit must be high enough to replace **your** most expensive cycle ‘as new’.

For unspecified **personal belongings** the limit must be high enough to replace all the belongings **you** are likely to take away from **your home** at any one time “as new” other than any **personal belongings you** have specified separately.

The most **we** will pay is the limit shown on **your** schedule.

You should check the replacement value of **your personal belongings** regularly to ensure the limit is adequate for **your** needs.

3. Settling claims

We can choose to settle **your** claim by repairing, giving **you** an equivalent replacement (for mobile phones this includes providing a refurbished model) or making a payment. Where **we** provide **you** with a refurbished mobile phone **our** aim will be to let **you** keep **your** existing number but if, for reasons beyond **our** control, **you** can't then **your** replacement phone will be connected to a new number.

If **we** are able to repair or replace **your** property but agree to settle using cash or a voucher **we** will only pay **you** what it would have cost **us** to repair or replace it.

What we will pay

We'll pay up to the sum(s) insured and cover limits for each incident (unless **we** tell **you** otherwise). **You** can find the sum(s) insured and limits on **your** policy schedule.

We won't reduce the sum(s) insured by the amount paid under any claim. However, if **you** claim for loss/theft of a specified item and **you** don't replace the item **you** should arrange for it to be removed from **your** policy, so **you** don't pay for cover **you** don't need.

How we deal with pairs, sets and suites

If **you** have chosen **TSB Enhanced Home Insurance**, **Contents matching items** cover is included as standard, please see the terms and condition of this cover as they replace the standard terms shown below.

When **we** settle **your** claim, **we**'ll pay to replace individual items or parts of a pair, set or suite or any other item of a uniform nature, design or colour which have been lost or damaged but not for undamaged companion pieces or parts.

Proof of value and ownership

When **you** make a claim, it is **your** responsibility to prove any loss. **We** therefore recommend **you** keep receipts, valuations, photographs, instruction booklets and guarantee cards to help **us** settle **your** claim.

4. No-claim discount

If **you** make a claim under the **Contents** (including any **Contents - optional covers**) or the **Personal belongings** section **we** will reduce **your contents** no-claim discount at the renewal date of **your** policy.
