

Tenbury Wells

Branch Community Engagement summary.

We're closing our Tenbury Wells branch in May 2025.

What you need to know.

In our Branch Review we've published details of this closure, how we can support you through the changes and other ways you can bank with us. You can read this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted.

We've shared key information on this closure with the members of the local community shown below. This included how customers' use of the branch has changed, what other TSB branches are nearby, and how we're working with the Post Office to provide other ways to bank with us. Visit tsb.co.uk/postoffice for more information.

- The office of the local MP, Dame Harriett Baldwin
- The leader of Worcestershire County Council
- The local councillors for Tenbury Ward
- The local Post Office
- The local Citizens Advice Service
- The local Federation of Small Businesses
- The local Chamber of commerce

What feedback we received.

The local MP raised concern about the branch being the last bank on the high street and the impact this would have on local customers, including small businesses, given the rural location. The MP sought TSB's support for a Cash Access UK Banking Hub solution to be introduced in Tenbury Wells and requested a meeting to discuss this.

What we've done.

TSB met with the local MP and discussed plans in place for a permanent TSB pop-up banking solution and the MP's recommendation that TSB consider the local library as a potential venue for this. We explained how customers could continue to use the local Post Office for many of their banking needs and how colleagues at the branch will be redeployed. We explained how Cash Access UK Banking Hub locations are determined independently by the LINK assessment process.

Need extra support? We can help.

There are many reasons you may need us to work with you differently, either now or in the future. You may need extra support with your wellbeing, a life event, or because you find yourself in a vulnerable situation.
