

Tariff of mortgage charges.

TSB is closely involved in the mortgage industry's initiative with UK Finance and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

Our charges can change from time to time. If they do we'll let you know in advance before any charges become payable.

Before your first monthly payment.

These are the fees and charges you may have to pay before we transfer your mortgage funds.

You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal. Some mortgages offer free valuations – the product details for your mortgage will tell you if this is the case.	£0 Valuation fees may apply for buy-to-let mortgages and details will be in your mortgage illustration.
